

PivotNexus by Pivot Payables

Bi-directional data connections for SAP Concur

Supports Concur Expense and Concur Invoice on all platforms.

LOOKING FOR A CONNECTOR? YOU'VE COME TO THE RIGHT PLACE!

PIVOTNEXUS SUPPORTS THE FOLLOWING ERP SYSTEMS:

Bi-directional Data Integration

From ERP to SAP Concur:

- List Integration
- Vendors (Invoice only)
- POs (Invoice only)
- PORs (Invoice only)

From SAP Concur Invoice to ERP:

- Invoices
- Invoice Images
- Payments (if paid via Concur InvoicePay)

From SAP Concur Expense to ERP:

- Employee Reimbursements
- Company Paid Credit Card Transactions
- Receipt Images
- Payments (if paid via Concur ExpensePay)

PivotNexus Add-On Value:

- Visibility: Real time status for postings
- Financial Risk: Ensure data is up to date for financial reporting
- Productivity: Automated, bi-directional data flow between SAP Concur Solutions and your ERP
- Experience: PivotNexus runs in the background, no manual updates
- Adaptable: Configuration updated as business requirements change
